Salem Stamp Society Formed in 1933 with C.S. Douglas
The first president, Mrs Patton V. Pres. and Carl Smith
Sdc-Trea. The first meeting were held in the Patton
Stationary Store later they moved to the YMCA as they
needed more room. The first show was in 1959 and was
held in the YMCA with 32 frames. Since then we have
met in many places and held shows in all sections of
town. We have shown some fine exhibits with the
oportunity to study many collections and increase our
knowledge of Philately. We invite you to visit the
exhibits and increase your interest in a new subject.

1968

Recycling is as old as man - much of the wealth of the past has been melted and reformed many times as the tastes for displaying such items has altered.

Today, we have the wealth of metal, wood, glass, plastics and petroleum being recycled by farsighted businesses to keep as much as possible of yesterday's valuable materials and to enjoy the fruits of resources and energy that are not being expended.

Garbage companies are the labor source for much of our recycling. Most areas have free pickup of separated material and all junk and salvage yards play an important roll.

Garbage haulers began a monthly curbside service four years ago (locally it is weekly). Nationally 150 million tons of waste a year, provide 11 million pounds of recyclable materials to be removed from our waste destined for dumpsites.

How about helping? Call 390-1370

SALEM STAMP SOCIETY
PO Box 202 Salem OR 97308
