## 2020 Programs

Frame of the Month presentations are invited! All months through November are open. Please contact David Morelli: [dkmorelli@msn.com](mailto:dkmorelli@msn.com)

- January 18      Members' Auction  
10:00 a.m.      Frame of-the Month: Rodney Stent
- February 15      Sheila Case: Botswana. As a special treat there will be Botswana stamps for sale  
10:00 a.m.      during the meeting.
- March 11          George Struble: 1920 Airmail service between Basel and Frankfurt: What a  
Fiasco!
- April 8            Show and Tell. THIS IS NEW. Members are invited to bring philatelic related  
items to "show and tell". This gives each member a chance to share what they  
collect other than stamps. If you are interested in sharing, there will be a sign-up  
sheet at the next two meetings or send an email to me, [dkmorelli@msn.com](mailto:dkmorelli@msn.com).  
Depending on the number of people interested in sharing will determine how  
much time is given to each person.
